

September 13 Board Meetings Rescheduled to September 16

NOTICE TO PUBLIC: MEMBERS OF THE PUBLIC WANTING TO MONITOR THE SEPTEMBER 16 CONFERENCE CALL ARE ASKED TO DO SO BY COMING TO THE NORTHERN WATER OFFICES:

220 WATER AVENUE

BERTHOUD, COLORADO

The regularly scheduled September 13, 2013 meetings of the Boards of Directors for the Northern Colorado Water Conservancy District (Northern Water) and the Municipal Subdistrict, Northern Colorado Water Conservancy District (Subdistrict) were cancelled due to weather and flooding in Northeastern Colorado. Northern Water and the Subdistrict, after consultation with the members of the Boards, have rescheduled the Board Meetings as telephonic Board Meetings to be held on Monday, September 16, 2013 at 1:00 pm. The meeting agendas for these Subdistrict and Northern Water Board Meetings are shown below.

Business conducted and actions to be taken by the Subdistrict and Northern Water Boards during this telephonic Board Meeting will be limited to only those agenda items requiring actions by the Boards of Directors which are necessary to continue the business and operations of the Subdistrict and Northern Water from September 16th until the regularly scheduled Planning and Action Session to be held on October 3, 2013. The remainder of the agenda items that were scheduled for the Boards' consideration at the cancelled September 13, 2013 meetings will be considered by the Boards during the October 3, 2013 Planning and Action session.

Members of the Public that would like to monitor the telephonic Board Meeting are requested to participate by coming to the Berthoud headquarters located at 220 Water Avenue, Berthoud, Colorado. There is concern that if members of the public also call into the meeting on the conference line that the capacity of the conference line may be taxed which may inhibit the Board Members' ability to effectively participate in the meetings.

Thank you for your consideration. Please contact Northern Water if you have questions (800-369-7246). Staff will be available to answer questions from the public concerning the telephonic Board Meeting beginning at 7:30 am Monday, September 16, 2013.
