

- 4) Attach a proposed inclusion parcel(s) location map (either topographic or aerial map from appropriate county assessor's website) showing parcel(s) boundaries.
- 5) How does the proposed inclusion parcel(s) currently receive water? For example, does the parcel(s) have a well, receive municipal or industrial water from a public water system or irrigation water through a ditch or canal? Provide Well Permit number if applicable.
- 6) Identify the water right(s) or shares in ditch or reservoir company associated with the proposed inclusion parcel(s). If the parcel receives municipal and industrial water, state the water supplier. Otherwise, provide the water right decree or indicated number of shares owned in ditch or reservoir company.
- 7) Discuss with Northern Colorado Water Conservancy District: Can any or all of the proposed activities resulting from the inclusion occur without your ability to receive Colorado-Big Thompson Project Water?

If Yes, you DO NOT need to answer questions 8-17.

If No, CONTINUE questions 8-17.

- 8) Are there any city or county approvals required for the proposed inclusion?

If yes, please describe:

- 9) Describe the proposed inclusion Parcel(s) current land use and/or zoning (e.g., residential, rural residential, agricultural, etc.) and any existing infrastructure (e.g., buildings, ditches, roads, etc.) within the proposed inclusion parcel(s):

- 10)** Are there any proposed changes to the proposed inclusion parcel(s) current land use and/or zoning (e.g., agricultural to residential, etc.) or any ground-disturbing activities within the proposed inclusion parcel(s) that will result from the proposed inclusion?

If yes, please describe the extent of ground disturbance (e.g., excavation, trenching, tree removal, construction, demolition, etc.), the approximate dimensions of the proposed ground disturbance (e.g., length, width, and depth of trenching, etc.), and attach a map showing the approximate area of disturbance within the proposed inclusion parcel(s).

- 11)** Describe how the water provided by a water supplier, ditch and reservoir company, or Colorado-Big Thompson Project water will be used (e.g., provide water to an existing structure, provide water to a proposed commercial/industrial development, etc.) within the proposed inclusion parcel(s):

- 12)** If a pipeline is required to provide water to an existing structure, please provide the approximate length and diameter of the pipeline:

- 13)** Is there any existing infrastructure (e.g., buildings, structures, canals, ditches, etc.) or are there any known archaeological sites within the proposed inclusion parcel(s) that are at least 50 years old?

If yes, please describe:

- 14)** Are there any known threatened or endangered species or their designated critical habitat within the proposed inclusion parcel(s)?

If yes, please describe:

- 15)** Are there any known wetlands within the proposed inclusion parcel(s)?

If yes, please describe:

- 16)** Are there any anticipated water quality impacts within the proposed inclusion parcel(s) resulting from the proposed inclusion (e.g., sewage disposal, construction impacts, etc.)?

If yes, please describe:

- 17)** Is there any prime and unique farmland within the proposed inclusion parcel(s)?

If yes, please describe:
